Print Sale Update

Ctein reports that all 54 orders have been shipped for his "Bird Impression" photograph print sale. This sets a new land speed record for TOP Sale order fulfillment.

If you haven't gotten a confirmation e-mail from the Post Office for your order within 24 hours of this notice going up, please e-mail Ctein (ctein@pobox.com) and he will send you the particulars.

If you haven't gotten your print within 30 days, please contact Ctein.

As for our next Print Offer, in time for Christmas, I'll just drop a (broad) hint and remind you of [this one](#). (We're doing another with Paul and John Paul.)

Many thanks for supporting TOP! And let us know what you think of the print.

Mike

Mine arrived today. Pretty quick I think. I have not had time to delve into it yet, but I will in the next few days. It is a unique image & there are some cool details in there. Well done Ctein

I received mine on the 1st. I understand what Ctein was referring to with the colors on the actual print, and I really like it. As someone who is not experienced with framing, any suggestions on that? Thanks

to Michael, you can find some suggestions in search engine at the right side of this site like this:
