Fantastic First Day: Print Sale Update, the Morning After

I have splendiferous and terrific news to report. Day One of our current sale [*SALE ENDED and link removed 12 noon Pacific Time 12/6/19*] could not have gone better—it got off to the best start of any sale we've ever done. I have to tell you, these print offers are truly fun when they take off like this. It's wonderful, and very exciting. I cannot thank everyone enough! (I had to go through this post and edit out a whole bunch of exclamation points.) One truly loyal reader ordered *nine*, and there have been many orders for more than one print. "Black Friday" lived up to its name here at TOP World Headquarters—it has made my year! (Sorry, there's another one. Never write when you're happy, it makes you sound like an idiot.) I can't wait to see how we've done at the 24-hour mark.

As you can guess, Ctein got hammered—he worked for fifteen hours straight with only small breaks before exhaustion set in. Just before he turned in, however, he emailed me to report that everyone who ordered by his bedtime late last night has been sent an acknowledgement, and he processed all but the last two dozen orders that came in yesterday. Those will be processed first thing today, in order, before he begins on the orders that await him this morning from overnight. He follows a rock star schedule, staying up late and sleeping late, and he's on the West Coast, so he's not up yet. If you're expecting a response from him, don't worry.

This sale is already a great success and we haven't even hit the one-day mark yet. Remember, it continues until next Friday, and there are plenty of prints left. Thanks again, truly.

Mike

Comments

I assume the counts on the sale page aren't being updated

Dear Mike and Ctein, so happy for you both. You never write like an idiot, it is just excitement showing trough. In fact your writing is the very reason why we come to this place and the comments section of course. Among friends, very knowledgeable even. Sometimes you are off topic and that's a big part of the fun. Just keep on doing thing your own way! And good luck with the big print sale!
